

Terminology

General

CAPP:	Stands for Curriculum Advising & Program Planning.
Prepared:	The date the credential evaluation report was created.
GPA:	Grade point average, visit the Frequently asked questions about Records for more details.
Course in Progress-CIP:	Courses a student has registered for that have not yet been graded and entered into academic history. Will be shown with "CIP" on the evaluation. Credential Evaluation assumes satisfactory completion of the registered courses as "Accepted" courses.
Grade in Process-GIP:	Courses that have been received in the Registrar's Office but have not been applied to your academic history. They will appear on your Transcript and be calculated in your GPA within 24hrs.
Credential:	The credential that your program awards: i.e. Degree, Advanced Diploma, Diploma, or Certificate.
Program/ Major:	An approved combination of courses in a subject area(s) which fulfils the requirements for a degree, diploma, or certificate.
Specializations:	Not currently used at George Brown College.
Min Required Program GPA:	Indicates the minimum cumulative GPA required to continue in your program. (See College Policies for details)
Term:	The term the course was taken in, refers to a specific time in the Academic Calendar; i.e. Fall 2011 term - Sept-Dec 2011.
Semester:	Indicates the set of courses required by the program and does not refer to a specific date, i.e. Semester 1- could be a combination of courses taken in Fall 2011 and Winter 2012 terms.
Actual Program GPA:	This GPA is calculated based upon the courses applied to the program requirements. Does not include failed courses.
Cumulative GPA:	Cumulative grade point average for all courses taken at George Brown College, including courses taken from other programs and failed but not repeated course(s).
Entry Term:	The term you were admitted to this program, not always the same as "Catalog term" (i.e.: In the case of Advanced standing students – these terms will be different).
Catalog Term:	The term in which you <u>were or would have been</u> in semester 1. Can vary from entry term such as- you were admitted to semester 2 of a program in January (entry term) but you would have been in semester 1 in Fall (catalogue term).
Credential Status:	This field displays "SO"- Sought until you are in your final semester. This indicates you are working towards a credential. In your final semester or if you have applied to graduate, this field will update to "PG"- Potential Graduate. This will happen by the following dates: Fall Term: October 30 Winter Term: February 15 Spring Term: July 10

Graduation Status:	<p>This will remain blank until a graduation status has been received.</p> <p>Status types: GR- Graduated GRH- Graduated with Honours NEL- Not Eligible to Graduate</p> <p>Full-time students: GR and GRH are entered approximately 10 business days after the end of the term. NEL entered approximately 3 weeks after the end of the term.</p> <p>Part-time students: Please allow 1 week after Application to Graduate has been received or at the end of the term.</p>
Evaluation Term:	Indicates the term in which the evaluation was run against; this would be the most current registration term.
Credential Audit Summary	
Number of Courses required for Credential:	Indicates the number of courses in the program required for Graduation.
Number of courses earned at GBC:	Indicates the number of courses used for the Credential evaluation.
Number of courses currently in progress:	<p>Indicates the number of courses not graded and currently in progress.</p> <p><i>Note: Does not include courses listed under "Courses Not Applied to Credential" until successfully completed.</i></p>
Area Requirement Summary	
Area:	An area represents the set of requirements for a specific semester for your current program.
Description:	<p>Program and Semester selected in Summary.</p> <p>Programs with Option streams: You will see both options indicated with a 1 or 2 until you select a stream. Once you select a stream in a future term, your CAPP report will change and reflect only the requirements from the selected stream.</p> <p>Programs with Coop: If you are in the Coop stream, the requirements for Coop placement and courses will be displayed.</p>
Met or Not Met:	<p>Indicates whether requirements for a Semester have been satisfied (Met) or not satisfied (Not Met).</p> <p><i>Note: If you have registered for a course previously failed, the course will appear in "Courses Not Applied to Credential" until successfully completed.</i></p>
Required:	Number of courses required for each semester.

Accepted:	<p>Courses used towards satisfying the semester requirements, and have met the minimum grade requirements.</p> <p>Courses a student has registered for that have not yet been graded will show as "CIP" on the evaluation.</p> <p>Credential Evaluation assumes satisfactory completion of the registered courses as "Accepted" courses.</p>
Actual GPA:	<p>GPA of the group of courses applied to the semester requirements.</p> <p><i>Note: Your official Transcript will display the term GPA only.</i></p>
Program Area	
Requirements:	<p>The detailed specifics of what the semester requires. Requirements can be a combination of any or all of the following; core courses, program electives, general electives, English & Math requirements. The Program & Semester requirements are not completely satisfied if any one area requirement is missing a course and is marked "Not Met".</p> <p>Course requirements not met within a semester are indicated with an asterisk (*).</p> <p><i>Note: Requirements can be met by applying courses from other programs or terms. CAPP will automatically transfer the courses to your current program when equivalent. If the course was taken at another institution, seek Academic Advising for course transfer options.</i></p>
Courses Applied:	<p>If the course requirement has been satisfied, the Courses Applied will be populated with Course Code & Name. When blank or with an asterisk, course requirement has not been met and is still outstanding.</p>
MGd:	<p>Minimum Grade Required for the course. This should be stated on your course outline as some courses may have a higher minimum passing grade as a program requirement.</p>
CRN:	<p>Course Reference Number, this specifies which course you are registered in.</p>
Gd- Grade:	<p>Final Grade Achieved, for letter grade to percentage values, visit the FAQ for Grading Scheme.</p>
Src- Source:	<p>Indicates how the requirement was met.</p> <p>(CIP) - Currently in progress (SUB) - Substitution (EQV) - Equivalent Course (ADV) - Advanced Standing (GIP) - Grade in Process (PLC) - English or Math Placement</p>
PLC - English or Math Placement	<p>English and/or Math Placement Results.</p> <p>If you have tested at Foundations level or if you were placed in foundations level as you did not take a placement test, you will see an asterisks (*) beside the course code as both College & Foundation level required for graduation. If you have completed one course and the other is still pending- you will continue to see an asterisks (*) beside the course code until both requirements are met.</p>

	<p>If you have tested at College level (English and/or Math), you will be displayed PLC with “Foundations English not Required” and/or “Foundations Math not Required”.</p> <p>For more information about Placement testing, visit the Assessment Centre.</p>
ADV - Advanced Standing	If you were admitted into an upper semester, i.e. semester 2, you will see ADV beside the courses from semester 1.
Other	
Courses Not Applied to Credential:	<p>Indicates the number of courses not used for the degree evaluation. Generally contains courses from a different program, failed or repeated courses, courses with a lower grade and/or courses with grades below Minimum Grade Required.</p> <p><i>Note: If you do not see this area, all your courses have been applied to your current program.</i></p>
